R E M A R K S

The present application is a Chapter II national phase filing of PCT/DE00/01777.

Applicants have cancelled all of the originally-filed Claims, 1 through 6. New
Claims 7 through 14 have been added to bring the claims more into line with
U.S. practice and to better encompass the full scope and breadth of the
invention notwithstanding Applicants belief that the Claims would have been
allowable as originally filed. Accordingly, Applicants assert that no Claims have
been narrowed within the meaning of *Festo*.
